This what they want, this how they want me on it  
They know I'm out here moving  
They loosing just like the hornet  
I'ma keep it the buck with you  
These niggas don't fuck with you  
I'm comfortable win,  
I'ma comfortable  
I'm coming through, with, with  
With dough boys, know we got it for the low boy  
Know you gotta keep that low boy  
All these niggas on parole, boy  
I'm heavy here, chevy here, getting head in there  
Club, you see that bread in there,  
Dj like you know Fred in here  
I told you boys I'm bout that life  
If it's money then I left in  
It's sure I take it right  
I don't play, I weight that right  
I don't play gotta play that price  
Shawty see my pinky rang  
She give me that box I'm winky ray, let's do it

[Hook] x 2

I spend bands all in my rollie  
I got bands all in my mind  
Every time that phone rings  
I got them bands all on my line  
I put in work, I put in work, I put in work  
I put in work, I put in work, I put in work  
I put in work, I put in work, I put in work  
I put in work, I put in work, I put in work

This what they want, this how they want me acting  
They see that shoulder clapping  
They don't waana die over rapping  
I'ma keep it a buck with you  
These niggas don't fuck with you  
I get better, better buck to you  
Than all the niggas in the truck with you  
They, they, they know better  
They know there's no one better

Than me at getting that cedar  
Told my vendettas put that bread up, fresh  
Look at Shawty here, she see my wrist, I got 40 here  
The trunk in the lambo it's the engine there  
It's like my whip, ... yeah

I told you boys I'm bout that pot  
If it's money on the set, that's exactly where I'ma set up  
shop  
So many rocks we in that watch  
See them girls on the block they watch  
Blow that gwap I'm never gonna stop  
They know friend I'm going straight to the top, let's go

[Hook] x 2

I spend bands all in my rollie  
I got bands all in my mind  
Every time that phone rings  
I got them bands all on my line  
I put in work, I put in work, I put in work  
I put in work, I put in work, I put in work
