Girl now I'Â€Â™ m 'Â€Â¡ like the fast sumo
Like the way I rap, you know papy chulo
So 'Â€Â¡, you know me, black shades like 'Â€Â¡
I move ot, o 3 say 2 od
I get mine cod, she own me
She wanna pay back, you cam corded and playback
Ran vans or maybachs, I'Â€Â™ m 'Â€Â¡
She love my gangster love, white tea and a
handkerchief
Wipe the shit swallow, because you like to'Â€Â¡
She choke, she like the nix
It'Â€Â™ s no dame, I leave chicks like you
'Â€Â¡ no commitment, miss miss submission
I'Â€Â™ m mister make condition, listen

First man take out 2 girls
First man take out 2 girls
She call me god

Girl too, I met her in a hummer 2
She was stunting it was summer too
I coming through like mid-August
'Â€Â¡on a left wrist 'Â€Â¡
Come here, get in, look
It'Â€Â™ s like hell in this Fahrenheit
She got open by the smell of my Fahrenheit
And truck high, real high, fan high
She looking nervous, what ma, 'Â€Â¡
Well the ben'Â€Â™ z on reservation, truck 10 feet, rims
is regulation
M6, the drop of ventilation
Everywhere black we looking like revelation
Armageddon 'Â€Â¡ mixed with the low swag of billy d
I'Â€Â™ m 'Â€Â¡ in the 80, Sheilla E, crush crew, she got
a crush, she feeling me

First man take out 2 girls
First man take out 2 girls
She call me god
She call me god

Girls 3, conversation like girl 6
I come on the other line
Like oh shit, come shit
I don't care where we at, I'ma beat it
Some say I'm too fat to be conceded
Well, my life's not average
I flow so right, and my wife's a bad bitch
So for me the all I need is a and the best to
loot
Invest in your future, enjoy the good food
Friend of god, he a good dude
And in a good mood, what ready cake he reaching
And god heavy like shape police man
' is for short though
Come here mama, Fred is gonna make you moan
' take some, shit

First man take out 2 girls
First man take out 2 girls
She call me god
She call me god
Oh, why? Oh why? Oh why?
