I'm only like a block up, pull the trap up  
Watch a 100 niggers pop up, we all here  
We don't care about lock up  
Told this slow nigger I get the shit shot up  
I get the shit shot up  
Told a nigger I get the shit shot up  
I get the shit shot up  
I told the homie I get the shit shot up  
Motherfucker 'A!

You thinking you're a big dog nigger I'm a  
faggot  
Hey you're throwing up blood 'A!  
Nice box, tombstone for y'all let it sleep  
Call me the delivery man  
I'm high as I'ma get, yeah  
Ain't no sweat off my damn back  
It's lay them down tbm nigger now stand back  
We run the asking no question nigger is damn facts  
Know the city's hard as a life sentence and  
'A!necks  
Back on my killers shit, no time to realers shit  
Niggers act monkey times go bananas and billy clips  
Everyday I'm stunting, new car fresh out the  
dealership  
Day to day you niggers 'A! that to reveal your shit  
Yeah I stay spitting raw dope, these niggers thinking  
they crack nigger  
I'm raw coke  
They say bringing it back nigger they all broke  
And everybody claiming 'A! until they all choke

I'm only like a block up, pull the trap up  
Watch a 100 niggers pop up, we all here  
We don't care about lock up  
Told this slow nigger I get the shit shot up  
I get the shit shot up  
Told a nigger I get the shit shot up  
I get the shit shot up  
I told the homie I get the shit shot up  
Motherfucker 'A!

I got the 'A&A' and my camp is mean  
I put them down and get them jump, trampoline  
Get a 'A&A' in the trunk of the van  
'A&A' selling too big for you hammer jeans  
Yeah I get Jacksons, I deal la crÃfÃ"me  
Step on squares till the lighter of Billie Jean  
The 'A&A' like a guillotine  
'A&A' don't 'A&A'™ t deprive me 'A&A'  
You survive now but die by manana  
'A&A' if we collide 'A&A' we wind up  
Fuck cops 'A&A' I get them shot from the spot 'A&A'  
Funny how you clocking me and now these niggers  
times up 'A&A'

I 'A&A'™ m only like a block up, pull the trap up  
Watch a 100 niggers pop up, we all here  
We don't 'A&A'™ t care about lock up  
Told this slow nigger I get the shit shot up  
I get the shit shot up  
Told a nigger I get the shit shot up  
I get the shit shot up  
I told the homie I get the shit shot up  
Motherfucker 'A&A'

You see I woke with a 'A&A' the 'A&A' in a sack  
I 'A&A'™ ve cop the talk, you talk to the cops  
Chrome to your wig, stay home with your kids  
Tv in black work and thrown you off a bridge  
You see I woke with a 'A&A' the 'A&A' in a sack  
I 'A&A'™ ve cop the talk, you talk to the cops  
Chrome to your wig, stay home with your kids  
Tv in black work and thrown you off a bridge  
If you knew what I knew they all gonna die, they all  
gonna die  
If you knew what I knew they all gonna die, they all  
gonna die  
If you knew what I knew they all gonna die, they all  
gonna die  
If you knew what I knew they all gonna die, they all  
gonna die.
