I'm too pac and two spots the block is secured
Stacked up to a fiend me, I'm the one you should call
But shawty on tour, juicy couture over law
And the drough when it's fire bet I can talk em to fall
Rhymes spreaded, I said it with a style
Commerce you dealer, I gave em coke and a smile
From poverty, no cold, it was foul
Now they admire me, I've been broke in a while
Wild, can't be talking to me
After my show, I have to be forced in the van
Came to new york, christopher walken to me
Figgy and pumble, christopher's walking to me
Slick talking tatty, bare arms, from iran, hope you
ready
Grave yam yankee fitty cap, fred the god and I came to
brign the city back

[Hook]

You know I bees in the city
You drive v's to the city
We push keys to the city
Mayor minds hope give me the key to the city
Now rep your city, this is for the streets
Now rep your city, this is for the streets
Now rep your city, this is for the streets
Now turn up

New york life is lawless
I got the city turnt up like the stocks dumped on mike
and harris
Works the purest, same color is â€¦
Girl here from school, she studyin the art of chow
Forget the vest I wear liff up
Tbm the best, they will clip em
Heard you got sour around, well we'll stick em
For that 7 pounds with the wesson I will smith em
7 pounds will smith, big bronx uptown and we still spit
We back flowin and y'all know I got lines around the
block
Like the tunnel back open
Speaking of tunnel, you know the sun is span

Call me harry and turman cause I got tunnel vision
Blue yankee fitty cap, fred the god and I came to bring
the city back

[Hook]

You know I bees in the city
You drive v's to the city
We push keys to the city
Mayor minds hope give me the key to the city
Now rep your city, this is for the streets
Now rep your city, this is for the streets
Now rep your city, this is for the streets
Now turn up.
