You know me baby, I'm a hitmaker  
I say the shit I mean it,  
that's wanna see you work though

Hook:

Yeah sliding off in that beans,  
used to be with your friends  
now you wanna fuck me and you sending me DM  
She go hard travel on top, punching me that clock,  
grinding under five, but girl I just wanna see you  
work work work work work work  
I just wanna see you work work work work work  
I just wanna see you

Bust it over, now keep riding  
girl the bust is open, pussy out of this world  
I think soaking so prime she moving I'm dies,  
they ain't broke, shawty I ain't chocking  
now she on the stage get my direction way  
got looking at the poes like a election bad,  
so I took that break, I broke that man,  
I do that shit almost broke my hand  
then I picked her up doing on her my man,  
'cause she do it on me, oh I'm like oh that damn  
she work it, she do it over time  
she never seen this watch diamonds over time,  
she know I'm won no watch, been rhyiming all the time  
look baby never stop, she want it grinding hard

Hook:

Yeah sliding off in that beans,  
used to be with your friends  
now you wanna fuck me and you sending me DM  
She go hard travel on top, punching me that clock,  
grinding under five, but girl I just wanna see you  
work work work work work work  
I just wanna see you work work work work work  
I just wanna see you

Ma-making clap now seating right in my lab,  
she on making this stack, no arms throwin it back

we on throwin some racks, they sitting by the bar  
broke shawty sex drive make me throw a couple  
partner  
that booty make me wanna take her home,  
this time got the apple wanna fact like the iPhone 5  
so I touch the lips and hips so white,  
so I start grab the quick my whip outside  
what frame you with, which way you're gonna ride  
took it bring it to the.. which one you're gonna slide  
I've seen you working and you made a bread  
I wanna know if you're clocking for another shit  
I wanna know if you're rocking just on some other shit,  
you color of the shit, she rounding rounding

[Hook:]
