Na na na na na na, na na na, na na  
Na na na na na na, na na na, na na

Love is in the air  
I can feel in my heart  
Love is everywhere  
There's a light  
There's a spark

Everytime I feel like this  
There's a new emotion taking place  
That goes...  
Na na na na na na, na na na, na na  
Na na na na na na, na na na, na na

Love is in the air  
And it's getting me high  
Love is everywhere  
Can you see in my eyes

Everytime I feel like this  
There's a strange emotion taking place  
That goes...  
Na na na na na na, na na na, na na  
Na na na na na na, na na na, na na

I wanna climb the mountains  
I wanna cross the seas  
I wanna do the things  
I know what good to me  
I wanna reach the heavens  
And soar above the clouds  
I wanna swim the river  
B'neath the midnight sky

I will dance before the sunrise  
I will dance before the moonlight  
I will dance I will dance  
I will dance until the music dies  
I will dance before the sunrise  
I will dance before the moonlight  
I will dance I will dance

I will dance until the music dies

Na na na na na na, na na na, na na  
(Gotta give it up, c'mon... yeah)  
Na na na na na na, na na na, na na  
(Na na,na na na, come dance with me)

I will dance before the sunrise  
I will dance before the moonlight  
I will dance I will dance  
I will dance until the music dies  
I will dance before the sunrise  
I will dance before the moonlight  
I will dance I will dance  
I will dance until the music dies

Na na na na na na, na na na, na na  
(Yeah... yeah...)  
Na na na na na na, na na na, na na  
(I think I'm dancing everytime)  
Darira, daridam...
