Disregard anything from here on out  
my mind isn't in the right place for where we stand  
I'll lead you to a direction, you'll soon regret  
if I could un-tie the laces I've already placed  
I wouldn't hesitate

I know you don't understand  
why I've taken it here

deeper and deeper is what I've dug  
the dirt in my grave is almost full enough  
deeper and deeper is what I've dug  
the dirt in my grave is almost full enough

maybe there's some sort of chance  
with all the words that have been said  
but this is where I look you in the eyes  
tell you I can't decide  
too many numbers on the palms of my hands  
it's up to you if you want to hang on  
but I just might let go first  
it's up to you if you want to hang on  
but I just might let go first

I know you don't understand  
why I've taken it here

deeper and deeper is what I've dug  
the dirt in my grave is almost full enough  
deeper and deeper is what I've dug  
the dirt in my grave is almost full enough

you're better off, you might be better off  
cuz I am better off, I am  
I know, I know, I know, I know  
you want me to stay, to stay  
we can't push this, no  
we can't, we can't  
we can't push this  
no, no, no, we can't  
my frame of mind, has no outline, I can't decide

I know you don't understand  
why I've taken it here

deeper and deeper is what I've dug  
the dirt in my grave is almost full enough  
deeper and deeper is what I've dug  
the dirt in my grave is almost full enough
