Hiding the truth, catching your soul!
Evil and shadow, you're under control!
Crawling at night, they plot against all!
Follow the true light, its reveal their form!

I'll find my way to carry-on!!
I saw the truth so I wait for the fall!!

Open your soul! WAKE UP NOW!
And regain control! WAKE UP NOW!!
Just hear the call!!

'Cause united we've got a chance
To fight and free all our race
From this evil warning that we face!

Tyrants are calling!
Their evil words on the whole world!
In your mind and your ears!
Reptiles are crawling!
They control your life and your will
By the lies and the fear!
SO WAKE UP AND FIGHT!!!!

Into the void the reptilians call!
Possess our false leaders with mind control!
Hide in their dimension they rule the world!
Hate and domination, their law for us all!!

You'll find your way to carry-on!
But beware my friend, near is the fall!

Wake up my friend, 'cause near is the end!
All we must fight but first understand!!
Who control us? And how?
Tell me what is our aim!!
Now that I see I just want to be free!!

(The reptilian)
Now the whole world is under our control!
From another dimension we plot to take your souls!!
