Turn around,
Every now and then I get a little bit lonely
And you're never coming around

Turn around,
Every now and then I get a little bit tired
Of listening to the sound of my tears

Turn around,
Every now and then I get a little bit nervous
That the best of all the years have gone by

Turn around,
Every now and then I get a little bit terrified
And then I see the look in your eyes

Turn around bright eyes,
Every now and then I fall apart

Turn around bright eyes,
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark

Nothing I can say
A total eclipse of the heart

INSTRUMENTAL

Turn around bright eyes,
Every now and then I fall apart

Turn around bright eyes,
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can say
A total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart
Turn around Baby
