"Beautiful"

You hold the pieces in me
Made me all complete
You placed your love within me
Made my hope complete

And now my heart is thankful
For your grace in me
And I can't wait to tell the world
Exactly how I feel about my god

Chorus:
You are all I need
Your love brings out the best in me
All I can say is beautiful
You're beautiful to me

And now that I am free
To be all you want me to be
I'll tell the world you're beautiful
So beautiful to me
