"Crash And Burn"

I can't stop talking bout
The things that You have done
My life has changed because
You gave Your only Son

You helped my feet to stand
When all is sinking sand
And when my world collapsed
You hold me in Your hand

And all my crash and burn
Collided with You Great and Mighty One
So here I am
I stand with my life in my hands
I give You all

I can't stop singing bout
The way You changed my life
From all the foolishness
I crashed into my life

You helped my feet to stand
When all is sinking sand
And when my world collapsed
You hold me in Your hand
