Father we've come to seek Your face
Desperate we ask You show the way
As we pour out our hearts
Come and never be apart
We will lift our voices to join the heaven's song

Reign over us Lord now we pray
Come and cleanse us with eternal grace
As we lift up our hearts
Come and never be apart
We will lift out voices to worship You our king

You are holy
Holy
Holy is the Lord

Say the words that calmed the raging seas
Say the words that always bring us peace
As we open our hearts
Come and never be apart
We will lift our voices to worship You our king
