I can see it in your eyes  
You don't know what life's about  
So listen well  
For I will tell

Life is calling out  
So what's it gonna be  
He's calling out  
So wake up, get up  
Life is calling out  
Don't waste it on your fears  
He's calling out  
Can't you hear Him calling

He's the way, the truth, and life  
And He came down to gave His life  
So you might live  
Yeah you might live

I'm not here to judge your life  
I just want you to realize  
That He's the way, the truth, and life  
His sacrifice is the ultimate price  
So won't you listen and listen well  
Jesus Christ is the one and only life

Open up your heart and let Him in  
Can't you hear Him calling out your name
