You were there for me
Through the deepest valleys I was in
You have rescued me
Time and time again

You carried me
You are my god
Following your way is all I trust
My pure delight
You alone I give all my heart

Reff:
I've found all that I've been missing
In my god who died to cover my sins
Now I found my path for living
Since I believe in you

Bridge:
Consume me and breathe your love in me
Surround me you're all that I need
Now I found my path for living
