[Intro:]

If I really love her,
I should get this girl up at the phone right now,
Saying girl please come back
So we broke up over he say she say
And it's to late for instant replay

Man I really love her,
I'm a go an prestop at her crib right now,
And try to get my shawty to come back
Mama says she'll be here in a minute,
And that's a cover, there's another man in it

(But I love her anyway)
Yea, That's what your telling yourself,
Until you see your girl chillin with somebody else,
In them blue jeans,
That you bought and got a walk on her,
That's just so mean

And man I love her,
Man I wanna love her,
And man I can't do non for miss feelin on the booty,
And I miss my little cutie

Man,
Shawty got me leanin with it,
Rockin with it,
(Man I shouldn't of let you go)
Man shawty got me trippin,
My every thought of her I'm cringing
(When I see you with somebody else)
Shawty got me leanin with it,
Rockin with it,
(Oh girl I shouldn't of let you go)
Shawty got me trippin,
Everytime I see the girl I'm cringing

Yea...
Anything to touch her,
Kinda like beyonce,

Shawty got me saying her name,
ON 106 and park,
Down the street
On TRL Shown her on MTV yeah...

Now what am I suppose to do...
Tryna get back wich you,
Every girl that I run into,
Just can't replace you
(Shawty got me leaning an rockin)

Shawty got me leanin with it rockin with it,
(Yea... oh)
Shawty got me trippin,
My every thought of her got I'm cringing,
Shawty got me leanin with it rockin with it
(Oh girl I shouldn't of let you go)
Shawty got me trippin,
Everytime I see the girl I'm cringing...

Shawty got me leanin with it rockin with it...
(Leanin with it, Rockin with it)
Man Shawty got me trippin
My every thought of her I'm cringing,
Shawty got me leanin with it rockin with it
(With it, uh huh)
Man shawty got me trippin
Everytime I see the girl I'm cringing

(Yeah what will I do without my Baybe...)
Heh... not that she's gone,
An I'm on my own,
Now what will I do,
Cause I can't think of me without you
(Baybe...)
And it's starting to set it
What will I do when it's all over
...
What will I do
Thinkin of you

Shawty got me leanin with it rockin with it...
(Leaninn, Rockin with it)
Shawty got me trippin
(Oh)
My every thought of her I'm cringing,
(I'm cringing)
Shawty got me leanin with it rockin with it
(What will I do)
Man shawty got me trippin
Everytime I see the girl I'm cringing

(Cringing)
(Got me cringing)
(Shawty got me cringing)
(Man shawty got me cringing...)
(Yeah)
(I can't think about her with somebody else but myself)
(Yeah... and everytime I do it hurts, hurts...)
(Yea hurts, hurts, yeah)
