If I lay my head down on you
Would it be, would it be too late
Cause you were my protection
From the rain outside
You made me feel love like the old days

But I can't blame you, baby
It's me that's done wrong
Cause I broke the skies that shined above

I can't live without you, without you
And it's hard to breathe when you're not near
But I can't lie here beside you, beside you
Cause you steal my soul when you leave
Set me free, babe

I need someone to hold me
Wrap their arms and embrace the air I need
Cause you were my shelter
Now the heart you hold is somebody else's, baby
Now I can't make you love, baby, if you don't
But I'll stay in love, in love with you

I can't live without you, without you
And it's hard to breathe when you're not near
But I can't lie here beside you, beside you
Cause you steal my soul when you leave
Set me free, babe

Set me free, baby
Set me free

Don't you know that
I can't live without you, without you
And it's hard to breathe when you're not near
But I can't lie here beside you, beside you

Cause you steal my soul when you leave
Set me free, babe
