Just got to New York
I just got out the plane
To explain, shawty know my name
She lookin at my frames
I'm lookin at her frames
She askin Do I rap?
I'm like nah, bitch I sing
Thousand dollar jeans she like It's a recession
Other niggas stressin
I'm progress-in
Five course meals I'm digesting
Is she leavin with me?
No question

Titties all big, booty on swole
Meet me on my tour let me hit it on the road
Let me hit it on the road
Let me hit it on the road
Let me hit it on the road
Let me hit it on the road
[X2]

My girl's cupid

And I'm plain hot
I guess she call that Spanish Fly
Man, I'm just playin
DJ take it back, there's no sense in delayin
These lyrical verses I'm sprayin
Lay down, your shit older than a caveman
Been sayin the same shit for 10 whole years
Let me get back on the subject
I ain't tryna hit it, tryna let my homeboy fuck it

I ain't tryna hit, let ya homeboy love it
It's the first of the month, get ya ticket
Throw that shit right down the middle, let me hit it

Titties all big, booty on swol
Meet me on my tour let me hit it on the road
Let me hit it on the road
Let me hit it on the road
Let me hit it on the road
Llet me hit it on the road
[X2]

Titties all big, booty on swol

[X2]
