"Lay Me Down"

Lay me down.
Lay me down.
Lay me down.
Lay me down.

Close your eyes.
Close your eyes.
Side by side,
We close our eyes.

When I'm tired you lift me baby.
In the morning time when the light gets darker,
It's hard to lift my head up.
Baby, you the light that's shining through like a sea of
stars
Appear.

Lay with me.
And I won't speak.
I need no words.
Just lay with me.

I said take my soul.
Let it grow.
Let it grow.
Take my soul.

You know, when I'm tired you lift me baby.
In the morning time when the light gets darker,
It's hard to lift my head up.
Baby, you the light that's shining through like a sea of
stars ooo

Lay you life,
Lay you life,
In my hands.
I'll take you home.
Lay your love,
Lay your love,
In my hands.
I'll take you home.

Lay your love,
Lay your love,
In my hands.
I'll take you home.
