Lay down your armour baby.
No need to fight no more.
Cause I've been wondering darlin'.
And we should just stop this war.

Cause it's alright.
Nothing lasts forever baby.
It's alright.
Now I can dance.

Cause I'm over you.
This time is the last time.
I'm over you.
That won't change.
Said I'm over you.
This time is the last time.
Always.

I don't need no arguments,
Just walk through the door baby.
Sometimes I don't know what we're screaming about.
You lose yourself, I lose myself baby.

But it's alright.
Nothing lasts forever baby.
It's alright.
Now I can dance.

Cause I'm over you.
This time is the last time.
I'm over you.
I can change.
Said I am over love.
This time is the last time.
Always, my love.

And maybe yeah, it took a long time
When you're running from truths you can't find.
And oh lord, I was in pieces
When love had gone.

But now I'm over you.
This time was the last time.
I'm over you.
I can dance.
Said I'm over love.
This time was the last time.
Always, always.

Said I'm over you.
This time is the last time.
I'm over you.
I can change.
Said I am over love.
This time is the last time.
For always.
