Stare into the sun, stare into the sun.
I'm gonna stare into the sun, stare into the sun.

The ain't a cloud in the sky, no nothing.
I see the birds, they fly on something.
This is the summer.
It's the summer, full of color baby.

The sun is shining down for lovers.
But not for me, it shines for others.
You gave me love, babe.
Gave me love, babe.
Now it's over.

I'm feeling blue cause love is gone.
Guess I lose, but life goes on.
Got a few tears to dry
Before these blue shade days are gone,
And I can stare into the sun.

I'm gonna swim in seas of green, I tell you.
I'm gonna run like I'm seventeen, forever.
I see a rainbow, purple and gold, but it's covered.

Oh yeah, cause there's a cloud,
She follows me round wherever.
Her last words keep raining down, on shelter.
You took your love babe, took your love babe.
Now the colors all melt together.

I'm feeling blue, cause love is gone.
I guess I lose, but life goes on.
Got a few tears to dry
Before these blue shade days are gone,
And I can stare into the sun.

Stare into the sun, stare into the sun.
I'm gonna stare into the sun, stare into the sun.

You gave me love babe, gave me love babe.
You gave me love then took it away.

You gave me love babe, gave me love babe.
You gave me love then took it away.
You gave me love babe, gave me love babe.
You gave me love and took it away.
You gave me love babe, gave me love babe.
Oh babe.
I said oh lord babe.

I'm feeling blue, cause love is gone.
I guess I lose, but life goes on.
Got a few tears to dry
Before these blue shade days are gone,
And I can stare into the sun.
Before these blue shade days are gone,
And I can stare into the sun.

I've got a fever baby.
Your love.
I've got a fever baby.
It's your love yeah.

I said I'm blue, baby.
I said I'm blue, baby.
I said I'm blue babe.
Blue babe.
I said I'm blue, baby.

I'm crying late now.
The sun is gone.
I'm crying late now.
The sun is gone.
I need you love.
I need you love.

Do you see me baby?
On the street,
And I'm her king to her heat.
And I love, babe.
