It's too late, I'm starting to wonder.  
You're broken, Up inside oh yeah.  
You're too young, not to be laughing.  
Sorrow, can crawl on you another day.  
Everything that I have to give, I give it all to you,  
But I'm dancing by myself.  
The queen of hearts is bound to loose.

So, Stop oh Mary, yeah.  
It's time to go outside,  
Cause we should be lovers.  
Take it easy.  
Oh, Mary you're keeping it inside.  
It's gonna be alright, just take it easy.

Infernos burning around you, have stolen your fire  
hiding deep inside.  
Stand up, scream your heart out.  
Louder, cause I can love you all this way.  
Everything that I have to give, I give it all to you,  
But I'm dancing by myself.  
The queen of hearts is bound to loose.

So, Stop oh Mary, yeah.  
It's time to go outside,  
Cause we should be lovers.  
Take it easy.  
Oh, Mary you're keeping it inside.  
It's gonna be alright, just take it easy.

Take it easy. Come outside. Take it easy mary.

I said, Stop oh Mary, yeah.  
It's time to go outside,  
Cause we should be lovers.  
Take it easy.  
Oh, Mary you're keeping it inside.  
It's gonna be alright, just take it easy.

Oh my mary. Mary.  
It's gonna be alright, alright, alright.

Oh my Mary, I said, oh my Mary, I said, oh my mary.  
Keeping it inside,
