Ooo  
I'm a stained lover.  
No recover.  
Since you said goodbye.

Feels the same.  
There's no change.  
Lost in your eyes,  
Like ol'times.

So I say, oh darlin'.  
Please baby, love this man.  
Put your arms around me, and  
We can love together.  
Stay.  
Lets be in love  
One more time.

Lost.  
Feel empty.  
So reach out for this man.

I know that I said it,  
But now regret it.  
The crazy, crazy  
Goodbye.

Ooo  
So, oh darlin'.  
Please baby, love this man.  
Put your arms around me, and  
We can love together.  
Stay.  
Let's be in love one more time.

Now I say, oh darlin'.  
Please baby, love this man.  
Put your arms around me, and  
We can love together.  
Stay.  
Let's be in love one more time, one more time.

Oh darling  
Please baby, love this man.  
Put your arms around me, and  
We can love together.  
Stay.  
Let's be in love one more time

She said ooo, my love.  
Love me one more time.  
Please.

Haa, yeah yeah yeah.  
Haa, yeah yeah yeah.  
Haa, yeah yeah yeah.

Hey, yeah yeah yeah.  
Hey, yeah yeah yeah.  
Hey, yeah yeah yeah.
