I can't shake this image in my head  
Everything's getting a little hard to handle.  
This nightmare, is burnin' down in my dreams  
Through the bright lights, to the dead and will you  
follow me

'Cause baby I know that we're going down,  
Can you feel it! ?

It's not right for me, woah oh oh oh  
Baby we're going down,  
Can you feel it! ?

It's not right for me, woah oh oh oh  
We can do anything!

Now I think that I'm going out of my mind  
Does everybody have to cross that line?  
Don't think, you won't get a second chance  
Hide the truth, your lies will make this last

'Cause baby I know that we're going down  
Can you feel it! ?

It's not right for me, woah oh oh oh  
Baby we're going down,  
Can you feel it! ?

It's not right for me, woah oh oh oh  
We can do anything!  
Let's go!

And it's time to forget everything you know,  
You're pushed away but you're not ready to go.  
And you fight back just to know you tried  
But you can't get back that part of you that's died

You just have to let it go  
Can you feel it! ?

It's not right for me, woah oh oh oh  
Baby we're going down,

Can you feel it! ?

It's not right for me, woah oh oh oh  
We can do anything!

Can you feel it! ?

Can you feel it! ?

Can you feel it! ?

Can you feel it! ?
