Hey, hey
Hey, hey

I don't want to get up in an hour
Everything's just starting too soon

I'm getting lost, I'm never gonna find myself
So what's going on after school

It's Friday night lets have some fun!
Break all the rules and listen to no one, woah

We're living in a repetition, woah
We're living in a repetition, woah

Hey. hey
Hey, hey

Don't tell us what to do
Don't tell us what to think

We're gonna have it our way
Who made you the boss anyway

Chasing dreams and running through the days
We're in a race to die anyway, woah

We're living in a repetition, woah
We're living in a repetition, woah
We're living in a repetition, woah
We're living in a repetition, woah oh

We're living in a repetition, woah
We're living in a repetition, woah
We're living in a repetition, woah
We're living in a repetition, woah

Hey, hey
Hey, hey
Hey, hey
Hey, hey
