Hey everybody put your hands up in the air
If I'll tell you anything I'll tell you that I just don't care
We're all intoxicated and I don't know where to start
You better watch out a bullet's comin' right for your
heart

And we're getting messed up today
Come on, we're gonna throw this all away
Don't give a shit about tomorrow today
We're not gonna listen to you anyway

Do you know your enemies?
'Cause I think that I know mine (Hey!)
Send your prayers out to insanity
We're all gonna lose our fuckin' minds! yeah!

And we're getting messed up today
Come on, we're gonna throw this all away
Don't give a shit about tomorrow today
We're not gonna listen to you anyway

Now I got a feelin' that something's not gonna be
alright
I know that we're gonna win this war
But I'm afraid that we're losin' the fight

And scream, scream, scream!
Take a breath what's on your mind?
And dream, dream, dream!
Because one day you're gonna run out of time

And we're getting messed up today
Come on, we're gonna throw this all away
Don't give a shit about tomorrow today
We're not gonna listen to you anyway

And we're getting messed up today
Come on, I'm gonna throw this all away
I Don't give a shit about tomorrow today
Not gonna listen to you anyway
