We've lost our love somehow
It's proof without a doubt
You'd give up everything you have
To get what you want

And I know it don't separate
But my sins are in the way
Of my love but you don't
Let me get away too far

Ohoh, ohoh, ohoh, ohoh
Ohoh, ohoh, ohoh, ohoh

I've begged for one more chance
About a million times and I
Come back and ask you for
Forgiveness again

It's easy to forget
The glory in the way we met
But you always remind me of
The love that we had

Let's give this one more chance before we say
goodbye

Don't leave just yet
I was mistaken
My hands are tied
And my time is wasted
I just want you to know
That I need you now
Don't leave just yet
'Cuz we're all just the same
We all take the back door
We might be to blame
I'll be the one to change
But I don't wanna come back
To see you get away

Ohoh, ohoh, ohoh, ohoh
Ohoh, ohoh, ohoh, ohoh

Let's give this one more chance before we say
goodbye

Don't leave just yet
I was mistaken
My hands are tied
And my time is wasted
And I just want you to know
That I need you now
Don't leave just yet

Ohhhhhhhh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
Ohoh, ohoh, don't leave
