Lonely like a sailor  
Who's left his girl at home  
No storm could overtake the love he knows

So tell me why I should run for cover  
At the sound of the coming thunder  
All I hear is the cry of my lover  
So take your shot  
I won't turn back

I won't turn back

Faithful like a soldier  
Who's answered to the call  
Even when his back's against the wall

So tell me why I should run for cover  
At the sound of the coming thunder  
All I hear is the cry of my lover  
Yeah take your shot  
I won't turn back

No I won't turn back  
No I won't turn  
No I won't turn

So tell me why I should run for cover  
At the sound of the coming thunder  
All I hear is the cry of my lover  
Yeah take your shot  
I won't turn back

I won't turn back  
I won't turn back  
I won't turn back

No I won't turn back

No I won't turn back

No I won't turn back

Yeah, I won't turn back

I won't turn

I won't turn
