Lonely like a sailor
Who's left his girl at home
No storm could overtake the love he knows

So tell me why I should run for cover
At the sound of the coming thunder
All I hear is the cry of my lover
So take your shot
I won't turn back

I won't turn back

Faithful like a soldier
Who's answered to the call
Even when his back's against the wall

So tell me why I should run for cover
At the sound of the coming thunder
All I hear is the cry of my lover
Yeah take your shot
I won't turn back

No I won't turn back
No I won't turn
No I won't turn

So tell me why I should run for cover
At the sound of the coming thunder
All I hear is the cry of my lover
Yeah take your shot
I won't turn back

I won't turn back
I won't turn back
I won't turn back

No I won't turn back
No I won't turn back
No I won't turn back

Yeah, I won't turn back
I won't turn

I won't turn
