## VERSE

She gives me such confusion  
She gives me pain as well  
She wants to have my mind  
So much that she would gain

## BRIDGE

I'd really like to see her  
Torture me again  
I'd beg her to control me  
Take me for a ride

## VERSE

Sometimes I feel afraid  
She would change my life again  
It's meaningless to me  
I doubt if I exist

## CHORUS

She's feeling loud and sexy  
A woman of many faces  
She'd swallow your best friend  
And spit him out again

## VERSE

Some people think I'm strange  
To be abandoned by her charm  
Beneath her loving eyes  
Lurks a childhood actress

## CHORUS

She's feeling loud and sexy  
A woman of many faces  
She'd swallow your best friend  
And spit him out again
