We were green and the hay was too
We could move all night, no need for the blues
And we were lovin' the summer days
In the tall, tall pine, in that river clay

It was me and you with nothin' to do, b-babe

Friday night, turn the record up
Try to say we'll never fall in love
Keep the pace, darlin', dance for me
Heat up the floor, have 'em beggin' and pleadin'

Sayin' feel no shame when you're callin' my name
Oh, you dame

Ooh girl, you know you drive me crazy
You say no when I think you mean maybe
So hold on to what you think you know
It don't make no difference to me

Oh lord, you know I got to go
You know this ain't no way to live free

And in beat-up cars down Old Gin Road
We could drive as fast as we wanted to go
Keep the pace, darlin', dance for me
Heat up the floor, have 'em beggin' and pleadin'

Sayin' feel no shame when you're callin' my name
Oh, you dame, yeah

Ooh girl, you know you drive me crazy
You say no when I think you mean maybe
So hold on to what you think you know
It don't make no difference to me

Oh lord, you know I got to go
You know this ain't no way to live free
Baby, don't get me down on my knees
Got me beggin', girl, got me beggin' and pleadin'

Babe, don't leave me, oh, babe

Ooh girl, you know you drive me crazy
You say no when I think you mean maybe
So hold on to what you think you know
It don't make no difference to me

Oh lord, you know I got to go
You know this ain't no way to live free

Hold on to what you think you know
It don't make no difference to me, yeah
Oh lord, you know I got to go
You know this ain't no way to live free

Oh, that's what you believe
Oh, that's what you believe
