If I told a lie  
If I made you cry  
When I said goodbye  
I'm sorry

From the bottom of, of my heart  
I apologize

If I caused you pain  
I know I'm to blame  
I must have been insane  
Come on, forgive me

From the bottom of my broken heart  
I apologize

I realize I've been unfair to you  
Please let me make, make amends  
Don't say that you forgot the love we knew  
After all, we were more than just friends

Now, if I made you blue  
I've had some heartaches too  
I beg of you  
Come on, forgive me

From the bottom of, of my heart right now  
I have got to apologize

Oh, Oh  
I'm sorry  
Oh, Oh  
I'm sorry Dear
