Cast me into the deep (Into the heart of darkness)  
Fallen from our hearts (Crawling inside now)

Hopeless and lost (Hopeless and lost)  
Consumed by fears

My soul was weak within me  
(I) Cant run from this destiny  
Just give me your mercy  
I go where the spirit leads me

Let go of my desire (Nowhere is my god)  
Save me from this fate (From this fate)

Hopeless and lost (Hopeless and lost)  
Consumed by fears (Will you save me)

My soul was weak within me

(I) Cant run from this destiny  
Just give me your mercy  
I go where the spirit leads me

Let my love be my blade (Be my blade)  
Let my song be filled with light (Filled with light)  
(Be my blade)  
(Filled with light)

And my soul was weak within me  
I can't run from this destiny  
Just give me your mercy  
I go where the spirit leads me

Go with the spirit
