Enter Tyranny
Enter Oppression
Enter the Parliamentary Houses
It doesn't matter which side of the aisle you choose to
sit on
There is no difference
There is no change in government
There is no revolution save anarchy

Characterize the right
The more obvious to spite
As a war waging system
With greed there to tempt them
Varying fascism
To every degree
Wage slaves and taxes
From sea to shining sea

Left or right it's all the same!
Play the same fascistic game!

Let's characterize the left
They say they know what's best
They say they'll set you free
From all that's untrue
With Marx & Lenin
Parading through the streets
A parody of fascism
Played on you and me

Left or right it's all the same!
Play the same fascistic game!

The system maintains whichever it may be
Under the guise of freedom oppressing you and me
Government is government, it's all the fucking same
Telling you what to think what to do and what to pay
Power is power, whichever side it takes
Left or right, right or left, they're all a bunch of fakes

ALL GOVERNMENT IS THE FUCKING SAME!

Left or right it's all the same!
Play the same fascistic game!
