Watashi wa mune no kizu anata ni tsugezu ni
Tada semaru itami ni hizamazuku

Hitotsu no kokoro o futari de dakishimete ita
Watashi to anata wa hitotsu datta
Futari ga hitori ni natte te ni ireta mono
Sore wa nozonde ita mono de wa nakatta

Yogoreta senaka o haizuru no wa
Kienai kizu okashita tsumi
Mou modorenai tooi hi o oikakete mo todokanai

Kimi wa karui kaze to taiyou no shita de
Sou, waratte'te

Kono atatakai basho o mamoru tame naraba
Watashi wa nan ni demo kawatte miseru
Ashita o tsukuru tame ni ikite'ru kara
Mainichi shiawase o mitsukete iru yo

Anata no tenohira kara tsutau sanjupu do no taion de
Konna ni mo tsuyoku nareru kara
Namida wa kobosenai

Watashi wa mune no kizu anata ni tsugezu ni
Tada semaru itami ni hizamazuku
Dakedo kisetsu wa matte kurenai kara
Itami norikoe ashita e arukou

I didn't tell you about the wound in my heart
And only knelt down at the approaching pain

Two people held the same mind
You and I were one
Something that two people got by becoming one
That wasn't what we had wanted

The thing that crawled on the dirtied back
Was the sin that had caused the un healing wound
I can't reach the past days even when I chase it

Please, under the light breeze and sun
Smile like that

To protect this warm place
I'll try to change anything
Because we live to make tomorrow
We pursue happiness every day

Just the thirty-five degrees of heat from your hand
Can make me this strong
I won't shed any tears

I didn't tell you about the wound in my heart
And only knelt down at the approaching pain
But as the seasons wait for no one
Let's walk over the pain, onto tomorrow
