Tripping falling down
Darkness catching up
A place of broken thoughts
The sea that we forgot

Keepin' all the hate
Ever seeping through
The edge is always there
No matter what we do

And I can feel it coming closer
Nearing me
Like an eclipse that is
Putting us all to sleep

Show me
Save me
Make me real

Tell me
Make me
This is how I feel

Tripping falling down
Darkness catching up
A place of broken thoughts
The sea that we forgot

You think you see it all
Something's clouding your mind
A voiceless cry for help
Goes unanswered

And I can feel it coming closer
Nearing me
Like an eclipse that is
Putting us all to sleep

Show me
Save me
Make me real

Tell me
Make me
This is how I feel

Show me
Save me
Make me real

Tell me
Make me
This is how I feel

Why'd you take it all away
