It's so early in the morning, about a quarter till three  
I'm sittin' here talkin' with my baby  
Over cigarettes and coffee, now  
I would like to tell you that, Darling I've been so  
satisfied  
Honey since I met you, Baby since I've met you

All the places I've been around, and all the good  
looking boys I've met  
They just don't seem to fit in, Knowing this is  
particularly sad, yeah

But it seemed so natural, darling, that you and I are  
here  
Just talking over cigarettes and drinking coffee

And my whole heart cries out  
Love at last I've found you  
And honey won't you let me, just let me  
Build my whole life around you  
And how complete, how complete my whole life would  
be  
If you would take things under consideration  
And walk down this aisle with me  
I would love it, yeah

It's so early in the morning  
It's a quarter till three  
We're sittin' here talkin'  
Over cigarettes and drinking coffee, now, lord  
And would like to tell you, well  
I've known nothing but good old joy  
Since I met you,  
Honey since I've met you

I would love to have another drink of coffee, now  
And please, darling, help me smoke just one more  
cigarette

I don't want no cream and sugar, because I've got you  
Just help me enjoy this good time that we'll have  
It's so early, so early in the morning

So early, so early in the morning  
And I've got you  
And you've got me  
And we'll have each other  
And we don't, we don't need nothing but good ole joy
