The last song

I guess you really did it this time
Left me standin their
I always thought you would be mine
Oh

Cryin in the rain I can only feel the
Pain but you told me I was beautiful
You told me you didn't wanna loose me
I thought we were meant to be

I look back at all the memories
Baby I don't know what to do anymore
It's hard to breathe

But now all those memories weren't true
You would always say you love me and I would say I
love you
Were did that go cuz I don't know what happened
Screamin at night just letting it go oh no I can't deal
with this
I really don't need you

Ya used to make the pain go away when
You was around ide deal with it another day oh

I guess you really did it this time
You've proven ta me that you don't care
Left me standin their, I always thought you would be
mine
