They get a kick by kicking your teeth in
With a pinch of salt and a bible grin
You cannot win
They call our love a sin
Turn the other cheek
They'll break your chin

When you kissed me in that lonely street
All the windows growled and you bit my lip
You said "I'll set you free"
But windows speak
And they hate our guts
Our lives are cheap

Life is now
My life is now
Life is now
Your god is senile

Forbidden love is such an inspiration
If I'm a lamb you're my zion lion
I lick your teeth in front of anyone
Who says I'm too young for your mortal kingdom

To drive away I steal my parent's car
Buy a pack of beer
Go fast Go far babe
I burn the map and watch the northern star
Shining in the eyes of my sweet vampire

Life is now
My life is now
Life is now
Your god is senile

When you kissed me I was cold as snake
I was young but your lips had the taste of fate
You said "I'll set you free"
And windows break
So I blew them out like my birthday cake

Life is now

My life is now
Life is now
Your god is senile
