Rise Rise Rise Rise.....

"we shall crush you down to the point, where there is no coming back, things will happen to you from which you

recover if you lived a thousand years, a thousand years."

Still life

Imitating man

In another life, in a stranger land,

Am I dreaming I am awake, Is this hell or second sight Are we born again like shadows Outside of timetime "Feel I'm walking outside, circled around me are these faceless figures - watching me, as if they are waiting for something to happen, then it happens"
