Don't back down like you always do
The time to speak out is long overdue
Why complain but you brush his name
He's a clown
Surely you're no tramp

But you don't have any sense
Any sense of time
But you don't have sense of time

Whoo
Ooh

Whoo

Whoo

Whoo
Ooh

You just laugh and then you call him a man
You just laugh and then you call him a man
You just laugh and then you call him a man
You just laugh and then you call him a man

But you don't have any sense
Any sense of time
But you don't have sense of time

But you don't have any sense
Any sense of time
But you don't have sense of time

But you don't have any sense
Any sense of time
But you don't have sense of time

But you don't have any sense
Any sense of time
But you don't have sense of time
(Whoa)
