"Big White Elephant"

We're in a new state
A state used to burn
I know there's no need for us to lose control
But I know there's something large just hiding in the
dark
Big white elephant

We're on our way down
A falling empire

All eyes on us now
Wake up
Don't you dare to let us down

We are an empire
Reckoning love of the big mistakes that are swept
under our bed
If we are an empire
My dear
We're giving up the coast for a big white elephant

We're on our way down
A falling empire

All eyes on us now
Wake up
Don't you dare to let us down

All eyes on us now
Wake up
Don't you dare to let us down

All eyes on us now
Wake up
Don't you dare to let us down

All eyes on us now
Wake up
Don't you dare to let us down

(All eyes)

(Oh)
(All eyes)

(All eyes)
(Oh)
(All eyes)

(All eyes)
(Oh)
(All eyes)
