Oh  
The doctor's coming to wipe you down  
And feed you to the wards

I  
I'm not hard to love  
Anymore could drive us to the core

My head in the clouds  
My head in the ground  
I'm so scared  
So scared of love

My head in the clouds  
Head in the ground  
I'm so scared and I want to go home

Head in the clouds  
Head in the ground  
I'm so scared  
So scared of love

My head in the clouds  
My head in the ground  
I'm so scared and I want to go home

Oh  
They must have had your temporal lobe  
And caused you quite a stir

Now it's my time  
I'm upside down  
I miss my love this time

My head in the clouds  
My head in the ground  
I'm so scared  
So scared of love

My head in the clouds  
Head in the ground

I'm so scared and I want to go home

Head in the clouds  
Head in the ground  
I'm so scared  
So scared of love

My head in the clouds  
My head in the ground  
I'm so scared and I want to go home  
I'm so scared and I want to go home  
I'm so scared and I want to go home  
I'm so scared and I want to go home  
I'm so scared and I want to go home  
I'm so scared and I want to go home  
I'm so scared and I want to go home
