We are the fire  
We don't back down  
It's in our blood  
Red  
Pound for pound

This call to arms  
It shakes our rooms  
And we are left to fill our wounds

It follows sand  
It swallows whole  
It won't breathe in

It's in our bed and in our room  
We are in love though we leave too soon  
We open up to deconstruct  
We'll make amends  
We don't know with what  
Know with what  
Know with what

We'll tread the tracks and scan the wires  
We'll drag the sea  
Stamp out our fires

A tug of war  
A piece of string  
The push and pull of everything

It follows sand  
It swallows whole  
It won't breathe in

It's in our bed and in our room  
We are in love though we leave too soon  
We open up to deconstruct  
We'll make amends  
We don't know with what

It's in our bed and in our room

We are in love though we leave too soon  
We open up to deconstruct  
We are in love  
We don't know with what

La la la la  
La la la la  
La la la la  
La la la la la

La la la la  
La la la la  
We are in love  
We don't know with what  
Know with what  
Know with what  
Know with what
