"Letting Go"

Ooh

When all the world's gone to bed I'm in this stillness
where I can't go on
With these pictures in my head of a world that's gone
mad
I know that's not the way the cards should fall

And

Oh

You turn your head towards the sun
You're feeling warm
But you're waving goodbye to the people in line for the
movies you've seen
Repeating the words stuck in your mind

Hey

There's too much in your head
Now turn off your eyes to the world
There's too much in your mind

And all you saw with two eyes
The colours flash and your time just rolls by
You woke up alone but you know I was there
Just pick up your feet and get outside

Hey

You're letting go
I know
You're losing grip on all
You're letting go
Ah
Ah
Yeah

Hey

There's too much in your head
Now turn off your eyes to the world
There's too much in your mind

I know

I know

I know
I know

I know
I know
I know
I know

I know
I know
I know
I know

I know
I know
I know
I know

I know
I know
I know
I know
