I need to be alone
I need to be alone
I don't need to be with someone
I don't need to join the swarm

And everywhere you look out
Like two birds that lose their home
They're blocking all the street cars
They're holding up our phones

And if it leaves a bad taste you need to wash it down
And if you build a model home just burn it to the
ground
I refuse to show my good side
In no place to call my own
It's no home
No
No
No
No

So can you smell these eyes burn
Can you feel it in your bones
I don't feel like I'm a lover
And I know I can denounce the throne

It's their own investigation
It's a try put on for cats
I'm not the one to feel so selfish
There's no way this one will last

And if it leaves a bad taste you need to wash it down
And if you build a model home just burn it to the
ground
I refuse to show my good side
In no place to call my own
It's no home
No
No
No
No

Whoa
Oh
Oh
Oh

Whoa
Oh
Oh
Oh

Whoa
Oh
Oh
Oh

Whoa
Oh
Oh
Oh

Whoa
Oh
Oh
Oh

Whoa
Oh
Oh

Whoa
Oh
Oh

Whoa
Oh
Oh

And if it leaves a bad taste you need to wash it down
And if you build a model home just burn it to the
ground
I refuse to show my good side
In no place to call my own
It's no home
No
