Sit down
There's something that I wanna say to you
To you

And how long
There's something that I cannot say to you
To you

Where do you go
Where do you hide

Dim the lights
Know there's nothing left to say to you
To you

And out of sight
You know I'm leaving you between the lines
You won't stay

Where do you go
How long did you hide

Where do you run
How long did you cry

(How long did you hide)
(How long did you hide)
