All you said to me today  
Oh  
You learned in magazines

All that you read to me  
Oh  
Could not have been more wrong

Somebody's been watching you  
Somebody's been watching your every move

Somebody's been watching you  
Somebody's been watching your every move

Oh  
When you move around you know he's filming your  
every move

Oh  
How we'd been a pair  
Oh  
How did we go so wrong

Somebody's been watching you  
Somebody's been watching your every move

Somebody's been watching you  
Somebody's been watching your every move  
Yeah  
Yeah
