I'm sorry that I couldn't love you back when you asked  
And no one's around here  
And in between the waves of the years and years  
Well you're screaming out in pain

I know that it's wrong but I'll string you along  
Then cry out and run for the hills  
If you weren't so lost on a merry-go-round  
Well you'd know there's nothing to fear

But hey now  
Just turn me around then I'll go  
I'll be gone  
Just say it now  
Turn me around then I'll go  
I'll be gone from here  
From here  
From here  
From here

I know that it's hard to be back at the start  
When the writing's marked clear on the wall  
Like a still from a film that just pulls you into where it  
ends and you begin

But hey now  
Just turn me around then I'll go  
I'll be gone  
Just say it now  
Turn me around then I'll go  
I'll be gone

Ooh  
Ooh  
Ooh

I'll pretend to love you back 'til the end  
It comes  
I will

I'll pretend to love you back 'til the end

It comes  
I will
