If something's wrong with you
You know that love I'd do it again
And all along I find a way to disconnect
Where you went wrong you'll never know until the end
You wait so long to let go

And all your dreams turn off
And all you need
Turn off
And in between I turn off
All your dreams turn off
Turn off
Turn off

Now you're gone love
I hope I meet you in the end
You carry on here 'cause I would like to reach you
If something's wrong here
Something I don't understand
All these years turn gold

And all your dreams turn off
And all you need
Turn off
And in between I turn off
All your dreams turn off
Turn off
Turn off
Turn off
Turn off

And all your dreams turn off
And all you need
Turn off
And in between I turn off
All your dreams turn off
Turn off
Turn off
Turn off
Turn off
Yeah

Turn off
Yeah

Turn off
Yeah

Turn off
Yeah

Turn off
Yeah
Yeah

Turn off
Yeah

Turn off
Yeah

Turn off
