(Eh Oh Oh Eh Oh Oh)
(Eh Oh Oh Eh Oh Oh)
I sit here waiting
My minds debating
There's no concentrating
I can't get you out my mind
My body's yearning
My heart is burning
I just keep returning
Never leave your love behind
I see you always, (Eh Oh Oh Eh Oh Oh)
You're in my vision, right here so near
You fill my long day, (Eh Oh Oh Eh Oh Oh)
No indecision, enthrall me, call me

CHORUS:

I need some loving I'm a long long way from home
I'm all alone and how I miss you baby
I need some loving I'm a long long way from home
The lonely nights they start to drive me crazy
I need some loving I'm a long long way from home
I want to touch you as I wait here by the phone
I need some loving I'm a long long way from home
A Long long way from home

(Eh Oh Oh Eh Oh Oh)
You are so stunning
You keep me running
You're my one becoming
I just can't believe you're mine
My pulse is racing
My mind keeps spacing
There is no replacing
Tingles running down my spine
I'm longing for you, (Eh Oh Oh Eh Oh Oh)
You are my hot shot, aching, shaking
I can't ignore you, (Eh Oh Oh Eh Oh Oh)
You are my hot spot, spinning, winning

CHORUS:

I need some loving I'm a long long way from home
I'm all alone and how I miss you baby

I need some loving I'm a long long way from home
The lonely nights they start to drive me crazy
I need some loving I'm a long long way from home
I want to touch you as I wait here by the phone
I need some loving I'm a long long way from home
A Long long way from home

Oh, I'm a long long, baby, Oh I'm a long long way
(Eh Oh Oh Eh Oh Oh)
Ooooh Hooo
I'm a long way, I'm a long way
Going nowhere
I'm going nowhere
(Eh Oh Oh Eh Oh Oh)
I see you always, (Eh Oh Oh Eh Oh Oh)
You're in my vision, right here so near
You fill my long day, (Eh Oh Oh Eh Oh Oh)
No indecision, enthrall me, call me

CHORUS:

I need some loving I'm a long long way from home
I'm all alone and how I miss you baby
I need some loving I'm a long long way from home
The lonely nights they start to drive me crazy
I need some loving I'm a long long way from home
I want to touch you as I wait here by the phone
I need some loving I'm a long long way from home
A Long long way from home

(Eh Oh Oh Eh Oh Oh)
